

MAKE your **lips** irresistible

Fotona
LipLase™

Plump up your lips naturally with LipLase™ Laser Lip Enhancement

The LipLase™ treatment uses patented technology, exclusive to Fotona, to provide laser lip enhancement for fuller lips without needles. This non-invasive treatment provides immediate visible improvement while stimulating production of collagen for natural rejuvenation.

- ✓ Fuller, smoother lips
- ✓ Natural-looking results
- ✓ Stimulation of new collagen
- ✓ No needles
- ✓ No downtime
